DYNAMIC MOVEMENT

natural movement, rocky filament
telluric sharkes
marble fragment
as from chaos up to the origin of man

URBAN PLANNING

the city's skyline with network, steel and open works

NEW ANIMALIER

the hybrid, the hybridisation included in animalier camouflage texture

MYSTIC

Prussian calligraphic blue, natural indigo of ancient times until the industrial production, keeping its spiritual meaning

DIGITAL CHECKS

a post-modern reelaboration, geometrical patterns and coloured patterns inspired by the Memphis Movement with vague features, creations rich on magic and dreams

BLOOMSBURY

traditional flavours, wall papers reelaborated in their decorations and colours with sensorial technology of flowers and nature

TIES

mix of patterns, treads and interwinement mingled for a unisex style
